Spring into Action Vouchers

Available to Primary Schools (Pre-K through 5)

Knoebels is proud to partner with area schools in the development of our youth. "Spring into Action" vouchers were designed for educators to use as an incentive to support the school-wide positive behavior. Vouchers are provided to schools based on a percentage of enrollment (15%) in grades Pre-K through 5. Specific parameters are determined by the school. Each eligible student will receive a voucher to exchange at the park for one (1) \$5 book of ride tickets. Vouchers can be exchanged (Opening Day - June 30th).
